

September 29

Find your new groups!

Group contracts due next Monday

Midterm 1 grades

Average: 78.5

Median: 83

Std. Dev.: 14.6

Begin lab:

- A groups start with part 1
- B groups start with part 2
- C groups start with part 3

Once you get your data on parts 1 and 2, move on to the next part. Groups doing VPython section, when the Young's modulus apparatus is free, start that part.

Analyze data and finish code outside of class.
Lab will be due next week.
