

Teacher's Evaluation of Exploratorium

We have enjoyed visiting you and would like some feedback from our visit. Feel free to continue on the back.

1. Date and School:
2. Level and Number of students:
3. Were there any parts of the Exploratorium which seemed new or cast in a new light to you? If so, what?
4. Were there any parts of the Exploratorium which seemed new or cast in a new light to your students? If so, what?
5. Were there any parts of the Exploratorium which helped you understand ideas you already knew?
6. Were there any parts of the Exploratorium which helped your students understand ideas they already knew?
7. Overall, did you find the Exploratorium a positive use of class time? Would you recommend it to another class or teacher? Under what conditions or with what reservations?
8. What recommendations would you have for improving the Exploratorium?
